Political Advertising Merits
Regular Rate

One wise deed deserves another. Members of a State Senate committee displayed their wisdom by killing a bill prohibiting newspapers and radio and television stations from charging political advertisers premium rates. Newspaper and broadcast executives who still engage in this practice should now display their's by stopping it.

The bill was sponsored by Sen. Jyles Coggins, D-Wake. Besides barring premium charges, it also would have forced news media to offer uniform rates to candidates for the same office. While seemingly fair on its face, testimony given the Manufacturing and Labor Committee exposed several defects in the measure.

Radio and television stations probably would not have been included in the bill's coverage even had it passed. The N. C. Association of Broadcasters indicated in a letter to the committee that federal equal-time regulations likely would pre-empt the field and, in effect, nullify any state law affecting broadcasters. The bill omitted other advertising media such as billboards and direct mail. The bill's impact apparently would have fallen solely on newspapers.

Radio and television are licensed to use the public's air waves and are protected by government in that use. Newspapers on the other hand, hold no government franchise. They are engaged in private enterprise in its fullest sense. The prices they charge advertisers are set by the pressures of the marketplace. Price-fixing by government has no legitimate role here.

Nevertheless, the press is and should be society's foremost advocate of free political expression. To the extent that higher ad rates discourage this, the press is doing a disservice not only to the candidates but also to society and to itself. William C. Lassiter, general counsel of the North Carolina Press Association, told the Senate committee that many of the state's newspapers offer candidates regular commercial rates. He assured the senators he would urge the others to do the same. Simply calling attention to the problem should be sufficient. Responsible publishers and broadcasters will need no urging. — Raleigh (N.C.) News and Observer

Medical Assistants Class Offered

Registration for Texarkana College begins August 26 and 27. One of College's most rapidly expanding programs is Medical Assistants Technology, which will be enrolling its third class.

The Medical Assistant is the "front door" to the physician's practice, the vital link between the physician and his patients. Responsibilities of a Medical Assistant cover a wide range, from secretarial duties such as correspondence, filing, bookkeeping, and processing of insurance claims, to sterilizing techniques, assisting the physician, and performing laboratory or diagnostic tests for which she has been trained. The Medical Assistant is bound by the same code of ethics as the physician.

The Medical Assistants Technology program was implemented to meet the increasing demands for man power in the expanding health careers. The demand for graduates in this field will continue to grow as medical care becomes increasingly specialized and complex.

Applications are now being accepted. For information contact B. J. Murdock, Director of Technical and Vocational Education, or Mrs. Gene Livingston, Director, Medical Assistants Technology, Texarkana College.

VOL. 72—No. 255 —12 Pages

HOPE, ARKANSAS, THURSDAY, AUGUST 12, 1971

7 Deaths in July on Dist. Highways

The Police Services Division in its monthly statistical review reported today that 57 persons died in traffic fatalities during the month of July. According to State Police figures, this is 11 more deaths than were recorded over the same period a year ago.

Captain Milton Mosier, District Commander of the Hope District for the Police Services Division said that 7 persons died during the month of July on Arkansas highways in the Hope District. Counties in the district recording deaths were Hempstead and Howard with 2 deaths each, Clark, Miller and Pike 1 fatality each. Lafayette, Little River, Nevada and Sevier Counties were free of traffic fatalities during the reporting period.

Mosier said troopers in the 9 county area investigated 78 accidents. Miller County experienced the highest accident rate during July recording 13 accidents, followed by Pike and Hempstead County with 12 accidents, Little River 11, Clark 10, Howard 9, Nevada 5, Lafayette 4 and Sevier 2.

The report indicated that excessive speed was the leading contributing cause in the accidents. — See 7 DEATHS IN

Cattlemen Warned Screw Worms Near

Five new cases of screwworms have been confirmed in Little River County, and Hempstead County farmers are warned to observe their livestock closely during the remainder of the summer, Calvin J. Caldwell, County Extension Agent, explains. One case was discovered about a month ago in Miller County.

The new outbreak was discovered in Southern Little River County and Paul Becton, veterinarian in charge, Animal Disease and Eradication Division, USDA, says that all cattle in Little River County south of highway 32 from the Oklahoma line to the junction of Little River and Red River are being sprayed with Co-Ral by veterinarians. In addition sterile flies from Mission, Texas, Screwworm Laboratory are being dropped on the area each week.

Livestock owners can protect their animals by spraying with See CATTLEMEN

After a Year Columnist Gives Forth With Some Accumulated Wisdom?

By HAL BOYLE
NEW YORK (AP) — Once a year a columnist gets to tell other people how to live.

By journalistic tradition the columnist annually is entitled to climb into his paper pulp, act like an all-knowing, all-seeing authority on anything and everything, and lecture everybody on what to do with his life.

Feeling my brain swelling now with a year-long accumulation of wisdom, I would like to dispense the following free advice—to be disregarded by the reader at his peril:

Avoid standing up to women in arguments. It is not only wearing to the mind, it is tiring to the feet.

Always come to work in the morning laughing. It'll make your boss think you're not afraid of your job. And if you laugh hard enough, it'll make you think so, too.

Read at least two newspapers every day, two magazines every week, and a new book every month.

Marry a girl you can stand and who can stand you. If she is smart enough also to cook

Training Session for Employees Being Held at Hope Foods Corporation

The Arkansas Industry Training Program is conducting a training session in Hope in connection with soon-to-be-completed Hope Foods Corporation. About 40 prospective employees are participating in the program. According to William P. Rogers of the Industry Training Program, the purpose of the program is to cut down the rate of turnover in industries.

The program here will acquaint prospective employees with the operations of a food processing plant. The program is also designed to cut down on the cost of opening a plant.

Hope Foods Corporation is a one-of-a-kind plant. Here leghorn fowl, also known as spent layers, will be processed and canned. It is hoped that operations will

Waiting Game on School Prayers Issue

By JOHN BECKLER
Associated Press Writer

WASHINGTON (AP) — A tense waiting game is being played in the House over the issue of prayers in the public schools. The outcome is likely to be decided shortly after Congress reconvenes next month.

Supporters of a proposed constitutional amendment permitting school prayers are trying to sign up enough members to force action on it, and Rep. Emanuel Celler, D-N.Y., chairman of the Judiciary Committee, is waiting to see if they can.

Celler, who opposes the amendment on constitutional grounds, has bottled it up in his committee and doesn't plan to take any action unless he has to.

When Congress adjourned for its summer recess last week there were 191 signatures on a petition to take the amendment away from the Judiciary Committee and send it to the House floor. It will take 219 to do it.

Celler, the 83-year-old dean of the House, has been through the battle before. In 1964 after a discharge petition gathered 167 signatures Celler yielded and held hearings on a prayer amendment.

For nearly six weeks a parade of witnesses including church officials, educators, legal scholars and representatives of dozens of private organizations testified for and against the amendment. When the hearings ended the committee found itself unable to agree and laid the amendment aside.

After a Year Columnist Gives Forth With Some Accumulated Wisdom?

and finish your uncompleted crossword puzzles, you've got a gold mine. If you violate your marriage vows later, brag about it neither to her nor your friends.

Play at least one sport, but not so well that you give it more time than you do the work you earn your bread by.

Never get the habit of having a drink every day before lunch until after you're 50, or two drinks until you're over 60. After 65, of course, you are free to have three drinks, skip lunch and nap all afternoon until the cocktail hour.

Seek the company of people who are diversely talented and able—without being oppressed by their gifts. If you hang around people who can't do anything worthwhile well, you may become satisfied with a second-rate life, too.

Hitch your wagon to a star—but not to astrology.

Tell your troubles to few. Why make everybody happy?

Live with bold caution but gamble on very few all-or-nothing bets.

(on page two)

begin around Aug. 30. Tom Duncan is president of the corporation. The plant is one of only three in the nation which have the special equipment for the type of work done here.

Classroom sessions were held last week at Red River Vocational Technical School. This week the nightly sessions are being held at the nearly-completed plant which is near Oakhaven. Rogers and Plant Manager Ralph Robertson are showing the group around the plant, explaining operations, and answering questions. The plant has the capacity to employ in excess of 100 people and training programs will continue until the end of September or until enough people can be trained.

Rogers has proposed a mobile on-site day-care center to be funded by HEW for the plant. The reason for this is because most of the employees will be black females. The day-care center, according to Rogers, would wipe out a large percentage of the welfare problem in this area.

Upper Echelon Not Very Enthused Over Lindsey Switch to Democrats

NEW YORK (AP) — Leading Democrats have generally welcomed New York Mayor John V. Lindsay to their party but there was little upper echelon enthusiasm over his potential as a possible presidential candidate in 1972.

Republican reaction to the long-anticipated Lindsay switch Wednesday ranged from the view that it was overdue to expressions of loss by some liberal members. The White House had no comment.

In his announcement, Lindsay scored the Nixon administration and said his shift "represents a renewed decision to fight for new national leadership Whether this means I will run for president I do not know."

"I welcome John Lindsay to the Democratic party," said Democratic National Chairman Lawrence F. O'Brien in an eight-word statement.

A welcome was also extended by Sen. Henry M. Jackson of Washington, one of a number of Democrats already eyeing the presidency. Of the mayor's presidential possibilities, Jackson has said: "If you joined the church one Sunday, you cannot expect to be chairman of the board of deacons the next Sunday."

Sen. George S. McGovern of South Dakota, an announced candidate for the Democratic nomination, commented, "The only thing I can say about the conversion is 'Amen.'"

"But I did not come to New York to convince another candidate to run for president," he continued, and suggested that Lindsay might want to nominate "George McGovern for president."

Lindsay's criticism of the Nixon administration was echoed by Sen. Hubert H. Humphrey of Minnesota, the Democratic presidential candidate in 1968 and a possible contender in 1972.

He said the switch "undoubtedly reflects the views of many hundreds of thousands of voters

Auditions in El Dorado

The South Arkansas Symphony will hold auditions for prospective members for the 1971-72 season from Sept. 6 to Sept. 10. Auditions will be held in the South Arkansas Arts Center in El Dorado. Time must be arranged.

All strings, orchestral winds, harp and keyboard are needed. All members are paid on a per service basis plus a travel allowance, and rehearsals are primarily on Monday evenings.

For further information or to set a time for audition, write or call before Sept. 4: Gerald Kiger, 2400 Calion Road, El Dorado, Ark. 71730 (phone 832-1197).

Reagan Gets Scaled-down Welfare Plan

By BILL STALL
Associated Press Writer

SACRAMENTO, Calif. (AP) — The California Legislature has sent Gov. Ronald Reagan a scaled-down compromise version of the massive welfare reform plan he submitted last March.

The Republican governor's office said he would sign it Friday, along with a bill overhauling the Medi-Cal program of free health care for the poor.

The welfare plan will go into effect Oct. 1, the new Medi-Cal program with Reagan's signature.

The reforms fall several hundred million dollars short of the total \$700 million Reagan had hoped to save in the programs this year. But he said the reforms will "contain most of the tools we will need to control growth, reduce abuse and prosecute fraud."

Without the reforms, Reagan

who supported the Nixon-Agnew ticket in 1968 and have now come to realize they made a mistake."

Sen. Edmund S. Muskie of Maine, considered the front runner for the Democratic nomination, welcomed Lindsay and said his shift was a sign "he can no longer accept Republican politics especially as they affect our urban areas."

Asked if Lindsay might make a strong Democratic candidate for the presidency, Muskie said he had "no firm judgment" on the matter.

Automobile Abandoned After Crash

At 11:30 p.m. Wednesday city police received reports from residents on N. Walnut of a loud crash and explosion. Officers

found a wrecked 1955 model Chevrolet on the vacant lot at Ave. D and N. Walnut. No one was at the scene. The auto had apparently gone out of control and crashed into some steel pipes on the vacant lot. Officers Ward and Shirley investigated. The investigation continues.

Am. Legion Family Picnic

Commander Dee Coffee announced today that Leslie Huddleston Post 12 American Legion will have a family picnic with the Ladies Auxiliary on Tuesday night, August 17, at 7 o'clock at the Fair Park.

This will be a pot luck dinner meeting and Mrs. Charles Taylor, membership chairman, will have charge of the program. A membership kick-off rally will follow the dinner meeting for both the Legion, Auxiliary, and Junior members.

Murder-Suicide at Waldo

WALDO, Ark. (AP) — Tom Kight, 68, and Herman Robertson, 51, both of Waldo (Columbia County) were shot to death Wednesday in an apparent murder-suicide.

Officers said Robertson went to the Kight's home and shot him and then returned home and shot himself when officers approached to question him about the Kight slaying.

Robertson was Kight's stepson, officers said.

District Asks for Funds

EL DORADO, Ark. (AP) — The El Dorado School District has applied for \$396,000 in federal funds under the Emergency School Assistance Program.

China May Have Cost as Many as 63 Million Lives in 50 Years

By JOHN CHADWICK
Associated Press Writer

WASHINGTON (AP) — A study published today by the Senate Internal Security subcommittee estimates Chinese Communism has cost at least 34 million lives and possibly as many as 63 million in the past 50 years.

The author of the study, Richard L. Walker, director of the Institute of International Studies at the University of South Carolina, said: "A reasonable estimate would be that the figure approaches 50 million Chinese."

The study, titled "The Human Cost of Communism in China," was ordered printed by the subcommittee July 27, after announcement of President Nixon's forthcoming visit to Peking in what Nixon has called a journey for peace.

Sen. James O. Eastland, D-Miss., subcommittee chairman, said in an introduction to the

18 Deaths in Battle During Week

SAIGON (AP) — The total of American battlefield deaths in Vietnam increased slightly last week but maintained the six-year low that has prevailed for the past month, the U.S. Command reported today.

The total of South Vietnamese killed in action was the lowest in more than two years, and the enemy toll was nearly 40 per cent less than the week before.

The U.S. Command reported 18 Americans killed in action, four more than were reported the previous week.

The South Vietnamese command reported 170 government troops killed in combat last week, the lowest toll since May 3, 1969.

The allied commands reported 1,006 North Vietnamese and Viet Cong killed last week, 628 less than the week before.

Boy Hanged Accidentally

RUSSELLVILLE, Ark. (AP) — Chris Vick, 7-year-old son of Mrs. Ruth Vick of Russellville died of an apparent accidental hanging at his grandmother's house here Wednesday.

Pope County Coroner Dewey Mallett said Vick apparently was playing with a rope in a tree and accidentally hanged himself.

BELFAST, Northern Ireland (AP) — Religious rioting raged through Londonderry early today as Protestants celebrated a victory over Roman Catholics three centuries ago, but Belfast had its quietest night since Catholic republicans turned the city into a battleground on Monday.

NEW YORK (AP) — Leading Democrats have generally welcomed New York Mayor John V. Lindsay to their party but there was little upper echelon enthusiasm over his potential as a possible presidential candidate in 1972.

WASHINGTON (AP) — Two professional China watchers have told Congress that for 20 years the United States has sponsored a secret war of espionage, sabotage and guerrilla activities on mainland China waged by Nationalist Chinese forces.

WASHINGTON (AP) — A study published today by the Senate Internal Security subcommittee estimates Chinese Communism has cost at least 34 million lives and possibly as many as 63 million in the past 50 years.

SAIGON (AP) — The North Vietnamese broke the lull in the Vietnam war today with a string of attacks along the demilitarized zones which reportedly killed at least 15 South Vietnamese and 26 North Vietnamese.

QUANTICO, Va. (AP) — "I felt I had always acted the right way; now I'll get my honorable discharge," Marine Sgt. Jon M. Sweeney said after he was found innocent of running away in the presence of the enemy in Vietnam and communicating with his Communist captors after being taken prisoner.

WASHINGTON (AP) — A tense waiting game is being played in the House over the issue of prayers in the public schools, with the outcome likely to be decided shortly after Congress reconvenes next month.

WASHINGTON (AP) — The Pentagon's civil-rights chief says that during a nearly month-long inspection of racial tensions at Far Eastern bases, "We gathered the impression from the behavior of some of the men that the conditions that affected them were so overwhelming that it produced a verbal paralysis."

Washington (AP) — The three Henderson State College graduates have accepted positions in schools in this area. Miss Portia Cochran of Hot Springs will teach the first and second grades in the Bodcaw Schools. Mrs. Carolyn Hickerson of Texarkana will teach social studies in the Hope Public Schools and Miss Alice Faye Forthman of Gurdon will teach second and third grades in the Spring Hill District.

Kenneth Harmon has returned home from the Veteran's Hospital in Little Rock and thanks everyone for the cards and letters.

Dr. James W. Branch has returned from Denver where he took a Post Graduate Course at the University of Colorado on "Recent advances on treatment of Rheumatoid Arthritis and Heart Diseases."

The Pat Bates Singers will be at the First Baptist Church of Nashville on Sunday, August 15.

5 More Killed in Rioting in Ireland

BELFAST, Northern Ireland (AP) — Religious rioting raged through Londonderry early today as Protestants celebrated a victory over Roman Catholics three centuries ago, but Belfast had its quietest night since Catholic republicans turned the city into a battleground on Monday.

Five more persons were killed in Belfast Wednesday before British soldiers restored an uneasy peace, shattered only by a 90-minute gun battle between troops and snipers at dawn today. The killings Wednesday raised the toll to 23 in Northern Ireland this week.

Hundreds of others have been injured, an estimated 7,000 persons have fled from their homes, and hundreds of buildings have been destroyed by fire in the violence triggered by the internment of more than 300 persons suspected of belonging to the outlawed Irish Republican Army.

The commander of the 12,500 British troops in the province, Lt. Gen. Sir Harry Tuzo, said the situation appeared to be "going in our favor now and in the proper direction."

He predicted that the violence would continue until the weekend and possibly longer, "but things will begin to improve soon, of that I am certain." The IRA, spearhead of the republican fight, was reported running short of arms and ammunition.

In Londonderry, the province's second city, Catholic fury exploded during the night as Protestants lit bonfires to commemorate the Aug. 12 anniversary of the breaking of the Catholic siege of Londonderry in 1689.

More than 400 Catholic women and children marched out of the Bogside enclave to protest the internment of suspected terrorists, chanting: "If you shoot a British soldier clap your hands."

When they dispersed, Catholic men took to the streets with bombs, bottles and a scattering of automatic rifles. The army estimated 500 gasoline bombs were thrown, and at least 12 shots cracked from sniper posts in the Bogside in less than five minutes.

Troops drove a wedge between rock-throwing Bogsideers and dancing, singing Protestants in the central fountain area. They lit the district with flares and fired repeated volleys of tear gas into the Catholic mobs.

The soldiers then beat back a mob of Protestants with nightsticks as it tried to reach the Catholics.

Insurance Discussion in Hope

LITTLE ROCK — Representatives of the Arkansas Association of Insurance Agents will be in Hope at 10:30 a.m., Wednesday, August 18 to give a detailed presentation of the controversial "no-fault" insurance policies at the annual group meetings of the Association.

The presentation will be made at the Chamber of Commerce Building before members of the Hope area agencies belonging to the AAIA.

The "no-fault" insurance policy is essentially one in which each victim of an automobile accident has his expenses paid for by his own insurance company. The "no-fault" plan reportedly reduces liability suits and legal entanglements, as each insurance company pays its own customer for his accrued losses without regard for who was at fault in the accident. Thus, under the "no-fault" plan, legal determination of blame is not a factor in insurance payments.

Representing the AAIA at the presentation will be Lawrence H. Derby, Jr. Vice President-elect, of Warren, and Dick Hergel, Executive Vice President of Little Rock.

Astronauts to Tell About Moon Voyage

By PAUL REECER
AP Aerospace Writer
SPACE CENTER, Houston (AP) — The Apollo 15 astronauts tell about their voyage to the moon today in their first news conference since their 12-day space expedition.

Astronauts David R. Scott, James B. Irwin and Alfred M. Worden will show films they took on and about the moon and answer questions for an hour at the Manned Spacecraft Center.

The spacemen ended their lunar expedition last Saturday, splashing down in the Pacific Ocean after a voyage of more than 1.2 million miles.

Scott and Irwin spent 19 hours exploring the surface of the moon and collecting 175 to 185 pounds of lunar samples, including what they believe to be a bit of the moon's original crust.

They used the first car on the moon to explore more than 17 miles of the lunar surface, visiting the foothills of mountains, scores of craters and driving along a mile-wide, 1,200-foot-deep canyon called Hadley Rille.

While his crewmates were on the moon, Worden was three days in orbit alone. He operated a \$17 million cluster of science instruments and cameras which mapped the lunar features and gathered data on the chemical composition of about 20 per cent of the moon.

Since their return here Sunday, the astronauts have spent long hours debriefing on their mission. Experts have quizzed the spacemen about every detail of the trip. The debriefings are expected to continue for two weeks.

While the astronauts talked, scientists in the Lunar Receiving Laboratory unpacked about half of the moon rocks. The piece of the moon's crust, in bag 196, is expected to be unveiled on Friday.

In a summary of their findings to date, a group of scientists said Wednesday that the photographs taken on the moon's surface by Scott and Irwin may prove to be of as much scientific value as the rocks.

"We have apparently got a major scientific yield from the 1,400 or so photographs taken on the moon's surface," said Dr. Leon T. Silver, a California Institute of Technology geologist.

The scientists said the photographs show layering in the Apennine Mountains, the highest on the moon, and in the wall of Hadley Rille. Both of these findings could be important in learning the geologic history of Inbrium Crater, the large flat plain near the Apollo 15 landing site.

idents, followed by failure to yield the right of way, driving on the wrong side of the road and faulty equipment.

The 57 traffic deaths during July occurred in 49 fatal collisions. Statewide, troopers investigated 1,149 accidents during the month of July.

Mosier said that there is one more major holiday left during the summer months. He encourages all motorists to drive defensively.

Artificial Heart Is Doing Fine

DETROIT (AP) — A 63-year-old suburban Detroit man is reported doing well after receiving a partial artificial heart.

Officials at Sinai Hospital, where the 10-hour operation was performed Wednesday, said Haskell Shanks, a Warren plant security guard, was "progressing as expected."

A team of surgeons headed by Dr. Adrian Kantrowitz, inventor of the electronic heart pacemaker, implanted the six-inch rubber and Dacron device called a patch booster in Shanks' chest early Wednesday. The device, also invented by Kantrowitz, is designed to boost the pumping ability of Shanks' own failing heart.

Similar operations have been performed twice before, but the patients died. The Detroit operation, however, was the first using the specific device.

Shanks had been suffering from congestive heart failure for about a year. Doctors said his life expectancy was "extremely low" before the operation.

The patch booster, a six-inch, cigar-shaped balloon, was implanted in Shanks' aorta, the body's main artery.

The balloon is filled with air from an external power source and expands, forcing blood down the artery. The expansion of the balloon is triggered by electrical impulses from Shanks' own heart.

The pump is powered by an eight-pound battery pack designed to be worn around the patient's waist. The batteries must be recharged every eight hours.

CHINA MAY

(from page one)

study its publication "comes at a particularly opportune moment."

He said "there is nothing new historical about accommodations or alliances of convenience between basically hostile powers," adding that in certain situations "such arrangements are not only desirable but well-nigh unavoidable."

"But if we are to have relations with Red China," Eastland said, "let us do so with our eyes open."

He described Walker as "widely recognized as one of this country's foremost China scholars" and said he was requested by the subcommittee last fall, on the initiative of the late Sen. Thomas J. Dodd, D-Conn., to prepare the study.

Eastland said the great merit of the study was that "while it does not deny the Communists credit for certain important economic and social accomplishments, it paints the picture whole by assessing and bringing to life the terrible human cost at which these accomplishments were achieved."

Walker's study begins with the founding of the Chinese Communist Party in 1921 and traces its rise to rule mainland China under Chairman Mao Tse-tung and Premier Chou En-lai.

Walker said the Communists have made remarkable progress in some areas, but said this has been accompanied by mass executions, purges, slave labor and terror.

"The cost of progress achieved under Communist rule is too high for the conscience of the world to absolve its perpetrators," he said. "In terms of human life and human suffering and in terms of destruction of moral and cultural values this cost cannot be condoned by any rationalization."

There will be a singing at Shiloh Methodist Church, located 4 miles northwest of Falcon Sunday afternoon, Aug. 15. The public is invited.

Little Change in Weather

By THE ASSOCIATED PRESS

Little change is seen in Arkansas weather through the weekend. The chances of scattered showers and thundershowers are predicted to increase somewhat Saturday in some sections of the state. Skies should be generally fair Sunday and Monday.

High temperatures should stay in the upper 80s to mid 90s, with lows in the upper 60s to mid 70s.

Thunderheads were common over much of the state Wednesday afternoon, and some of them produced significant amounts of rainfall for parts of central Arkansas.

Pine Bluff had 1.49 inches and Calico Rock received .91, with about one-half inch recorded at Jonesboro, Damascus and Greenbrier.

A few large trees were blown down at the Pine Bluff country club, located about 2 1/2 miles south of downtown Pine Bluff, about 5:45 p.m.

There was also a report of some wind damage to a barn north of Damascus.

The range of highs Wednesday was 87 at Fayetteville to 94 at Little Rock.

Overnight lows included Fayetteville 63, Harrison 64, Jonesboro 66, Pine Bluff 70, Texarkana 70, El Dorado 68, Memphis 69, Little Rock 70 and Fort Smith 65.

Rainfall reports for the 24-hour period ended at 7 a.m. today included .16 of an inch at Harrison, .55 at Jonesboro, 1.49 at Pine Bluff, .43 at Memphis, .08 at Little Rock, .19 at Fort Smith and a trace at El Dorado.

Woman Leaps 1,000 Feet to Her Death

CHICAGO (AP) — A woman hurtled nearly 1,000 feet to her death early today from a 90th-floor window of the world's third tallest building, the John Hancock Center.

Homicide detectives said they are working on the theory that Lorraine Kowalski, 29, of Chicago, took her own life.

Police said Miss Kowalski was visiting in an apartment leased by Marshal Berlin, 45, a member of the family which operates I.S. Berlin Press. She lived in an apartment on Sheridan road, several miles from the residential-commercial skyscraper on fashionable North Michigan Avenue.

Berlin told police the woman came to his apartment at 3:15 a.m. He said she was angry, although he said he didn't know why, according to police.

Berlin said he left the room for a moment and upon his return saw a window broken and Miss Kowalski missing, police said.

The Hancock building is 1,017 feet tall, surpassed only by the Empire State Building and the World Trade Center, both in New York. It is the first such incident at the building since it was completed in May 1968.

REAGAN GETS

(from page one)

had predicted that all welfare costs, including health care, would have cost California \$4 billion this year. With reforms, that would be cut by about \$350 million.

The state still would have a deficit of \$300 million to \$350 million in its \$6.8 billion state budget.

The legislature plans a three-week recess and will return after Labor Day to consider tax reform, a tax increase and legislative and congressional reapportionment.

Reagan had set welfare reform as his prime goal this year.

The welfare bill passed the Assembly 62 to 9 and the Senate 31 to 8 Wednesday. Both houses are controlled by Democrats, but the compromise already had been worked out in secret negotiations between Reagan and Democratic Assembly Speaker Bob Moretti of Van Nuys, who has said he may run for governor in 1974.

Possible Agreement on Berlin

By HUBERT ERB
BERLIN (AP) — The Big Four ambassadors to divided Germany concluded today an unprecedented three meetings in three days amid lively speculation they are nearing an agreement on Berlin matters.

The Soviet ambassador to East Germany, Pyotr Abramov, told waiting newsmen the four envoys would meet again in West Berlin Monday.

The American ambassador to West Germany, Kenneth Rush, said there is a news blackout on the talks.

CATTLEMEN

(from page one)

Co-Ral and by close observation of any cuts that might become infected. Larva of the worms found should be mailed to Dr. Henry Martin at the Arkansas National Stockyards in Little Rock for confirmation. The larva should be placed in a small vial of alcohol and packaged securely for shipment. Mr. Caldwell said.

For further information on screwworms, Mr. Caldwell invites you to call or come by the County Extension Office located in the County Courthouse.

Hearing on Waste Plants

LITTLE ROCK (AP) — About 50 persons attended a public hearing Wednesday on procedures for licensing operators of waste water treatment plants as required by a 1971 law.

Arkansan Found Shot to Death

CAMPBELLSBURG, Ky. (AP) — A middle-aged truck driver, his hands tied, was found shot to death at a weighing station under construction about two miles north of here. State Police said Sanford Wedgeworth, 54, of Augusta, Ark., was shot once in the left side with a small-caliber weapon. They also said he had been beaten and his wallet was missing. His suitcase had been ransacked and thrown over a nearby embankment.

The body was discovered Wednesday but police were not sure how long Wedgeworth's body had been at the site before it was noticed by another truck driver.

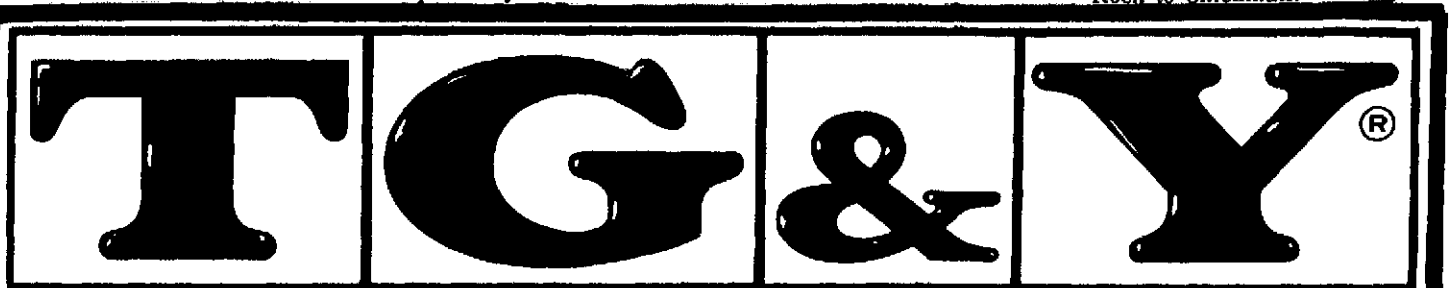

Prime Minister Fires Predecessor

SYDNEY, Australia (AP) — Prime Minister William McMahon fired his predecessor, Defense Minister John Gorton, after five days of controversy over the former prime minister's memoirs.

McMahon, who supplanted Gorton as Liberal party leader and prime minister in March, said the memoirs "breached the basic principle of Cabinet solidarity and unity and reflected on the integrity of some ministers."

Gorton's first installment, published last Sunday in a weekly newspaper, said some ministers couldn't be trusted to keep government secrets.

Wedgeworth was carrying a load of paneling from Little Rock to Cincinnati.

Chicago Loses 3-2 to Pirates

By KEN RAPPOPORT
Associated Press Sports Writer
Richie Hebner came back to the Pittsburgh Pirates after a stint in the army. It was just what the doctor ordered ... and just what Dock Ellis needed.

Hebner, playing in his first game after two weeks of military duty, delivered the game winning hit in the ninth inning to power the Pirates and their stumbling star pitcher over the Chicago Cubs 3-2 Wednesday night.

"Sometimes you're the goat and sometimes you're the hero," said Hebner, whose bases-loaded single with two out gave Ellis only his second victory since the All-Star break a month ago and helped the Pirates keep the charging Cubs at bay in the National League East.

The pace-setting Pirates, who lost the opener of the two-game set, moved their lead over Chicago back to seven games.

The Pirates, who led the Cubs by 11½ games in the middle of July before hitting a brief slump, also boosted their lead to eight games over third place St. Louis which lost 9-3 to Atlanta Wednesday night.

In the other National League games, the Montreal Expos bumped the skidding San Francisco Giants 5-0; the Cincinnati Reds hammered the Houston Astros 5-1; the San Diego Padres nipped the New York Mets 1-0 in 12 innings and the Los Angeles Dodgers turned back the Philadelphia Phillies 4-1.

American League scores: Baltimore 9, Minnesota 6; Detroit 2; Milwaukee 1; Cleveland 3, Chicago 2 in 12; Oakland 5, Boston 3 in 10 and Kansas City 1, Washington 0 in the five-inning, rain-shortened first game of a scheduled two-night doubleheader. Rain also washed out the California-New York games.

Ellis was happy to gain a victory after several weeks of frustration, but felt he "didn't deserve to win" after losing a 2-1 lead in the ninth.

The big right-hander was working on a three-hitter when he gave up a single to Glenn Beckert on a two-strike pitch. Beckert went to third on Joe Pepitone's single and scored on Jim Hickman's sacrifice fly.

The Pirates weren't to be denied in their half of the ninth, though. With two out, Vic Davilillo doubled off reliever Phil Regan, who had taken over for Chicago starter Ferguson Jenkins in the eighth.

Roberto Clemente worked a walk and the runners advanced on a passed ball by catcher J.C. Martin. Regan then issued an intentional walk to slugger Willie Stargell and Hebner delivered on the first pitch to him, driving in Davillo with the game-winning run.

Gil Garrido's three-run double capped a five-run eighth that carried Atlanta over St. Louis. The Braves had battled back from a 3-1 deficit after six innings and pinned the loss on Chris Zachary.

Hank Aaron's single scored the first run of the big inning and broke a 3-3 tie. Then Zoilo Versalles walked with the bases loaded for another run before Garrido laced Moe Drabowsky's pitch into the left-center field alley, clearing the bases.

Rusty Staub's two-run triple and the seven-hit pitching of Steve Renko carried Montreal over San Francisco, which lost its eighth game in 10 and had its lead shaved to 3½ games over Los Angeles in the Western Division.

Staub's triple keyed a three-run rally in the third inning and gave him 600 career runs batted in. Renko survived seven innings and handed the Giants only their fourth shutout of the year.

Gary Nolan fashioned a three-hitter and retired 16 batters in one stretch as Cincinnati beat sloppy-fielding Houston, which committed four errors. The Reds scored three runs on two Astro errors in their decisive sixth inning.

LAS VEGAS, Nev. — Ernie Shavers, 204, Warren, Ohio, knocked out Jim Brown, 215, New York, heavies.

Wilhelm Signed by Dodgers

By RON ROACH
Associated Press Sports Writer
LOS ANGELES (AP) — Hoyt Wilhelm had pitched in more major league games than anyone, setting six big league records.

But last June he couldn't land a job. He was released by Atlanta after appearing in three games, bringing his lifetime total to 1,045.

It took him eight games in the minor leagues to show that he could still baffie hitters with his knuckleball.

From Spokane, Wash., of the Pacific Coast League, the 48-year-old Wilhelm joined the Los Angeles Dodgers Wednesday night, ready to prove that major league hitters will still have trouble with his fluttering deliveries.

"Baseball is my life and you're as old as you feel," Wilhelm said as he laced his spikes for his first game as a Dodger.

"I think I'm in pretty good shape. Last Saturday I pitched my first complete game in 15 years."

It was the seven-inning nightcap of a doubleheader, and Wilhelm doesn't anticipate getting a starting assignment with the Dodgers.

He'll be in the bullpen, where he broke in with the New York Giants in 1952 and went on to establish career records for relief pitchers in games, 993; victories, 123; saves, 223; innings pitched, 1,827 and strikeouts, 2,335.

Wilhelm's sideburns are gray and he can't hide too much of his scalp by combing thinning hair across the top. He doesn't smile when asked how many years he'll pitch, or how he manages to get batters out at his age.

"To be honest," he said, "yes, I do get tired of discussing my age but there are times when you can't avoid it. It's a year-to-year thing. I hope I can last a few more years."

Struggle to Impress Coach

By DENNE H. FREEMAN
Associated Press Sports Writer
DALLAS (AP) — Don't be surprised if Dallas coach Tom Landry hasn't made a choice between Roger Staubach and Craig Morton by the time the regular National Football League season starts Sept. 19 at Buffalo.

Staubach, the third-year man from Navy, and five-year veteran Morton are locked in a duel to impress Landry. The winner gets the No. 1 quarterback job.

"The quarterback situation doesn't necessarily have to be set by the first league game," Landry said. "Who can predict it? The job will be open for some time ... I've got to have a solid feeling about the top man ... I'd prefer just one quarterback."

Both Staubach and Morton were impressive in an opening 45-21 exhibition victory over Los Angeles last Friday night. Morton completed 10 of 14 passes for 121 yards and one touchdown.

12th stole third and came home on catcher Jerry Grote's wild peg into left field as San Diego stopped New York.

Dave Roberts bested Tom Seaver in a duel of National League earned run average leaders. Roberts scattered seven hits over the 12 innings and Seaver struck out 14 before leaving after pitching 10 shut-out innings.

Rookie Doyle Alexander fired a four-hitter and knocked in a run for streaking Los Angeles, which won its 10th game in 12. Alexander retired 18 consecutive Phillies before a two-out single in the ninth by Willie Montanez.

Oakland 5-3 Over Boston

Label Oakland's Vida Blue Mr. Excitement. Things are never dull when he's working.

A crowd of more than 30,000 waited out a two-hour rain delay in Boston Wednesday night to see him pitch and they weren't disappointed. Blue gave them a good show that included his 21st victory of the season. Exciting, it was. Easy, it wasn't.

Blue's roommate, Tommy Davis, provided the early muscle, and Reggie Jackson supplied the late offense for the 5-3 victory that took 10 innings.

Elsewhere in the American League Wednesday, Baltimore belted Minnesota 9-6, Detroit shaded Milwaukee 2-1, Cleveland nipped Chicago 3-2 in 12 innings and Kansas City shut out Washington 1-0 in a game halted by rain after five innings. The second game of the KC-Washington doubleheader and California's game at New York were rained out.

In the National league, Atlanta ripped St. Louis 9-3, Pittsburgh topped Chicago, 3-2, Cincinnati defeated Houston 5-1, Montreal blanked San Francisco 5-0, San Diego trimmed New York 1-0 in 12 innings and Los Angeles defeated Philadelphia 4-1.

Davis ripped a two-run homer in the first inning and singled home Blue, who had beat out a bunt, in the third as Oakland built an early 3-0 lead against the Red Sox.

Blue was coasting on a three-hitter and had retired 17 consecutive batters when he walked pinch hitter Phil Gagliano with one out in the eighth inning. Doug Griffin followed with his third major league homer, cutting Boston's deficit to a single run.

In the ninth, Rico Petrocelli hammered his 21st home run of the year, tying the score. Billy Conigliaro ripped a two-out double but Blue escaped the jam.

Bert Campaneris singled with one-out in Oakland's 10th and moved up on a wild pitch. After Joe Rudi walked, Jackson doubled for one run. A fielder's choice and a wild pitch produced another and that seemed to seal it. But Griffin and Luis Aparicio opened the bottom of the 10th with consecutive singles, kayoing Blue, who was trying for his 20th complete game. Darold Knowles relieved and shut the door, saving the victory that made Blue's season's log 21-4.

Blue struck out nine, increasing his major league leading total to 240. Baltimore's Robinson boys, Frank and Brooks, destroyed Minnesota, keying an eighth inning rally that moved the Orioles past the Twins.

Don Buford, who had three hits including a homer, started the winning rally with a walk and stole second. Two outs later, Frank Robinson doubled home Buford with the tying run and then Brooks Robinson dropped a bloop single, chasing home Frank with the winner.

Merv Rettenmund doubled two more Baltimore runs home in the ninth and Boog Powell slugged his 16th homer of the year—a three-run shot.

Ray Fosse's 12th inning homer moved Cleveland past Chicago after the White Sox had rallied to tie the score on Rick Reichardt's two-run single in the ninth.

Ted Uhlaender accounted for Cleveland's first two runs with a leadoff homer in the first and a double in the sixth.

Jim Northrup's two-run single drove in both Detroit runs as the Tigers came from behind to whip Milwaukee.

Skip Lockwood was working on a two-hitter and had accounted to the game's only run with a homer when Gates Brown and Willie Horton opened the seventh inning with singles. Bill Freehan walked with one out, loading the bases for Northrup.

Paul Splittorff allowed just one hit in five innings and Cookie Rojas' first inning sacrifice fly accounted for the game's only run as Kansas City topped Washington in their rain-abbreviated game.

Jeff Burroughs' leadoff double in the fifth—the first ball hit out of the infield against Splittorff—was the only Washington hit.

The Royals scored the game's only run when Joe Keough singled, and raced to third on a double by Amos Otis and scored on Rojas' fly ball.

Dispute Sidelines Tarkenton

By ALEX SACHARE
Associated Press Sports Writer
Frank Tarkenton says he wants "to be reasonable."

Duane Thomas said he wants "to be treated like a man."

But in the meantime, both remain on the sidelines as pro football's preseason training continues.

Tarkenton, the New York Giants' exhibition opener against Houston Monday night in a contract dispute with owner Wellington T. Mara, made gestures towards a reconciliation Wednesday, but Mara responded with what appears to be a hard line.

"I'd be very happy to receive a call saying they want to talk," Tarkenton said. "I'm open, I want to be reasonable."

Mara:

"I've said all I have to say on the matter," the Giants' owner declared. "I will not negotiate with a man who's not in a camp." Since Tarkenton has already said he will not return to the Giants without a new contract, that situation is at something of an impasse.

Thomas, the star running back who refused to report to the Cowboys, was traded to New England, left the Patriots because he felt he was not wanted there, and finally saw the trade nullified, now says he will play for any National Football League club which will treat him "like a man."

One possible home for Thomas is Washington, where George Allen expressed an interest in the talented runner from West Texas State. "If you guys can arrange a trade," Allen told reporters, "we will go after Thomas."

Meanwhile, the Giants had another workout on their hands. Punter Bill Johnson disappointed with his performance in the team's 35-6 exhibition loss to Houston Monday night, left camp Wednesday.

Johnson averaged 39.5 yards per kick as the Giants' regular punter last season, but punted four times for a 31-yard average against the Oilers.

Tackle Francis Peay, who stormed out of the Green Bay Packers' training camp Monday after being angered at criticism by an assistant coach, said he will be back in camp Friday, after talking with Coach Dan Devine.

Jerry LeVias, the mini-receiver who failed to come to

Hope C.C. Tourney Is Saturday

The Fifth Annual Hope Country Club Invitational 4-Ball Golf Tournament will get under way Saturday morning with 128 players entered. Approximately 90 out-of-town players and their families will be in Hope participating in the activities.

The defending champions, Al Graves and Joe Shinn of Little Rock, will tee off at 8:54 Saturday morning playing in a foursome with former Hope golfer David Waddle and Tommy Clark of Texarkana.

The team of Paul Collum and Reed Mobley of Texarkana is favored to take the event. This team has previously won the Little Rock Country Club 4-Ball Invitational Tournament and the players individually rate among the tops in the state. They will be paired with John Graves and Bill Hairr who were runner-ups last year.

Starting times and tee designations are listed below:

- Tee No. 1 - 8:30 - McKenzie & Culp, Caven & Fuller.
- Tee No. 1 - 8:38 - Gillespie & Higgenbotham, Darling & Darling.
- Tee No. 1- 8:46 - Graves & Hairr, Collum & Mobley.
- Tee No. 1 - 8:54 - Graves & Shinn, Waddle & Clark.

Management Necessary in Fishing Pond

Management is important if you want to keep a pond well stocked for fishing, says Calvin J. Caldwell, county Extension agent.

Sometimes it is necessary to eradicate the existing fish and start over to get a good balance of fish. One such example was a 2½ acre pond belonging to T. M. McCorkle of Columbus in Hempstead County. McCorkle reported that fishing had not been good and asked the county Extension agent about the possibility of a complete eradication.

Caldwell worked with Paul Choate of the Arkansas Game and Fish Commission and together they did a complete fish eradication. Twenty-two people were present to witness the kill and assist with netting the fish. To the surprise of most of the people, there was only one large bass weighing more than 9 pounds, thousands of bream that were very small, and approximately 400 bull-head catfish with an average length of about 11 inches. There were no bass or bream of pan size in this pond. This is typical of a farm pond that has been stocked with fish more than 6 or 7 years, Caldwell said. In this case, the pond had been stocked with bass and bream 12 years ago.

McCorkle plans to restock the pond with channel catfish in September.

Solunar Tables

The schedule of Solunar Periods, as printed below, has been taken from Richard Alden Knight's SOLUNAR TABLES. Plan your days so that you will be fishing in good territory or hunting in good cover during these times, if you wish to find the best sport that each day has to offer.

Date		A.M.		P.M.

No Welfare for College Students

WASHINGTON (AP) — It is legal for states to cut off welfare payments for children in needy families if the children attend college, the Justice Department says.

Solicitor General Erwin N. Griswold said Wednesday the aid cutoff is permissible under the 1935 Social Security Act even though it "may have the unfortunate effect of perpetuating poverty and of discouraging some of the most able children of deprived families from realizing their full potential."

Griswold's statement was contained in a brief to the Supreme Court which rules next term on an Illinois regulation stopping federal aid to dependent children at 18 if they are in college.

The court will consider an appeal by two Illinois women who say the regulation is illegal, particularly since the state does not suspend aid to 18-year-olds in vocational or technical schools.

In the same friend-of-the-court brief, the department also advised the court not to strike down an Indiana regulation barring aid to needy children until the father is absent from the home for at least six continuous months.

Griswold said since Congress has not set a waiting period or rules one out, the states may act on their own.

Massachusetts Classic Up for Grabs

SUTTON, Mass. (AP) — The \$33,000 top prize in the \$165,000 Massachusetts Classic went up for grabs today with old-timer Slammin' Sam Snead rated a top contender in the absence of golfing giants Lee Trevino, Jack Nicklaus, Arnold Palmer and Gary Player.

Snead, now 59 and making his first appearance at Pleasant Valley Country Club since 1965, warmed up for the 72-hole tournament with a one-over par 73 Wednesday in a pro-amateur event interrupted by rain on the 7,212-yard course.

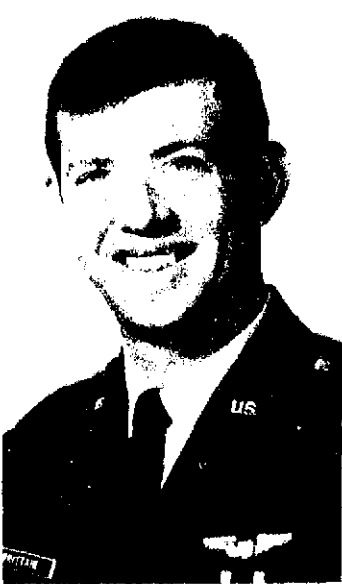

"Now we'll see if the old dawgs can take it for a few more days," Snead drawled before he went back on the course for more practice.

One of golf's all-time greats, Snead is the PGA Seniors champion, but he's been winless on the pro tour for several years.

He's still a tough competitor, though. In the Westchester Classic, Snead shot an 11-under-par 277, good for a fourth-place tie and \$11,000.

"We have 44 of the top 50 money winners this year and anything can happen," Cosmos Mingolla, the club board chairman, said.

"A couple of years ago we had some virtual unknowns at the time as the leaders. Tom Shaw won and look how well he has done since. The big thing now is a break in the weather."

LT. BOBBY BRITTAIN

ENID, Okla.—Second Lieutenant Bobby L. Brittain, son of Mr. and Mrs. George B. Brittain of Redfield, Ark., has been awarded his silver wings at Vance AFB, Okla., upon graduation from U.S. Air Force pilot training.

Lieutenant Brittain, a member of the Arkansas Air National Guard, is returning to his unit at Jacksonville for duty.

A 1965 graduate of Central High School, Little Rock, the lieutenant received a bachelor of arts degree in economics from Hendrix College, Conway.

His wife, Karen, is the daughter of Mr. and Mrs. Victor H. Cobb of 504 W. Fourth, Hope.

Wilbur Mills Day Proclaimed

LITTLE ROCK (AP) — Gov. Dale Bumpers Wednesday proclaimed Aug. 26 as Wilbur D. Mills Day in Arkansas.

A rally will be held that day in Little Rock in support of the Arkansas congressman's possible presidential candidacy.

San Diego Stops N.Y. 1-0

SAN DIEGO (AP) — Larry Stahl stole third base and came home with the winning run on catcher Jerry Grote's wild peg into left field in the 12th inning as San Diego stopped New York 1-0 behind Dave Roberts Wednesday night.

Stahl doubled to start the winning rally, then broke for third after an intentional walk to Nate Colbert.

The Padres' outfielder roared home to break the scoreless tie as Grote's attempt to nail him sailed over third baseman Bob Aspromonte's head.

New York's Tom Seaver and Dave Roberts were locked in a scoreless tie as each allowed only three hits through nine innings.

Roberts scattered seven hits in all and Seaver was lifted for reliever Danny Frisella after pitching 10 innings.

The Padres wasted a two-out single by Stahl in the first inning and the Mets missed a mild chance after Cleon Jones singled to open the second. When Donn Clendenon fanned on a 3-and-2 pitch, Jones was out trying to steal second, completing a double play.

Roberts received spectacular defensive support in the eighth. Clendenon led off with a single to left and Aspromonte sacrificed him to second. Grote hit a low liner to right for what looked like a certain run-scoring single but center fielder Larry Stahl made a diving, shoestring catch of the ball and easily doubled Clendenon off second.

This Crash Not in Script

MT. HOPE, Kan. (AP) — Stunt pilot Frank Tallman has survived several hundred planned crashes in motion pictures, but he encountered one Tuesday that wasn't in the script.

Tallman and his passenger, actress Bernadette Peters, escaped injury when a sudden gust of wind caught his 54-year-old biplane, nosing it into a field 10 miles west of here.

Tallman was flying Miss Peters for a scene in "Ace Eli and Rodger of the Skies," being shot by 20th Century-Fox. Tallman doubles for Cliff Robertson, the movie's star.

The vintage plane was only a few feet off the ground when a gust of wind shoved the lower left wing into the recently harvested field, spinning the craft in a 360-degree circle as the wing and propeller dug into the earth. The craft was damaged extensively.

LR Schools Seek \$785,000 HEW Grant

LITTLE ROCK (AP) — The Little Rock School District will apply to the federal Health, Education and Welfare Department for about \$786,000 to fund such projects as an "opportunity school" for disruptive students as part of a program to facilitate desegregation.

The district must file the application by Friday. The Dallas regional office of HEW says the district is one of seven in the state eligible for funding under the federal Emergency School Assistance Program.

Dodgers Gaining on Giants

LOS ANGELES (AP) — Rookie Doyle Alexander tossed a four-hitter and knocked in a run Wednesday night as the streaking Los Angeles Dodgers whipped Philadelphia 4-1 to climb within 3½ games of sagging San Francisco in the National League West.

The victory was the Dodgers' 10th in 12 games and helped them trim a game off the San Francisco lead as the Giants lost 5-0 to Montreal.

Alexander, improving his record to 4-3 with his second straight complete game and his third victory in a row, retired 18 consecutive Phillies at one point. One of the hits he surrendered was to pitcher Ken Reynolds, who drove in the Phils' only run.

Bill Russell led off with a homer in the Dodgers' first and Reynolds' single scored Don Money in the Phillies' second to tie the game.

But Bobby Valentine tripled in the Los Angeles fourth, scoring Steve Garvey who was aboard with a single.

The Dodgers made it 3-1 in the sixth when Joe Ferguson singled, took third on a base hit by Valentine, then scored on Alexander's second hit of the night.

The Dodgers turned in two outstanding defensive plays during Alexander's streak. Second baseman Russell leaped high to rob Oscar Gamble of a single in the seventh. In the eighth, Willie Davis raced to the wall to rob Denny Doyle of an extra base hit.

Says U.S. Sponsored War in China

By LAWRENCE L. KNUSTON Associated Press Writer

WASHINGTON (AP) — For 20 years the United States has sponsored a secret war of espionage, sabotage and guerrilla activities on mainland China waged by Nationalist Chinese forces, two professional China watchers have told Congress.

Dr. Allen S. Whiting of the University of Michigan's Center for Chinese Studies and Jerome A. Cohen, professor of East Asian Legal Studies at Harvard Law School said such activities must end permanently or President Nixon will fail in his "journey for peace" to Peking.

They were joined by Dr. John K. Fairbank, director of Harvard's East Asian Research Center, who contended China has remained essentially nonexpansive over 2,000 years. He also downgraded China's ability to threaten its neighbors.

"Their standard of living is still low and they have many prior demands on their resources," Fairbank said.

"The American public, if it has 30 million handguns and other firearms for hunting and sport, may have as much firepower as the whole Chinese army today ... The Chinese are never going to threaten this country."

The three men testified before the Joint Congressional Economic Committee headed by Sen. William Proxmire, D-Wis., which is studying proposed cuts in the \$80-billion U.S. defense budget.

"The United States has

frequently violated international law in its relations with China," Cohen said.

"It will be important to determine," he said, "whether the recent cancellation of illegal overflights and ground penetrations of China represents merely a temporary gesture to facilitate President Nixon's trip or a new American policy of dealing with China ..."

American public and official opinion would be outraged if Chinese aircraft were repeatedly violating airspace on spy missions, Cohen said.

"Yet somehow it seems right to Americans—that China, North Vietnam, North Korea and other Communist states should abide by the rules of the world community while tolerating our failure to do so ..."

Whiting gave details of a number of covert missions he said the United States conducted including aid to a 1959 revolt in Tibet. He said others had taken place inside China with aid of U.S.-supported forces from Taiwan and elsewhere.

"There is a credible case that overt and covert U.S.-Nationalist activities have aroused the Chinese Communist security concerns ...," Whiting said.

Establishment of diplomatic relations with Peking must take place before relations between the two nations are normalized, Cohen said.

Page Six Bumpers Says 8th Hope to Graduate Marianna TensionEases

LITTLE ROCK (AP) — Gov. Dale Bumpers said Wednesday that he had received reports that the racial tension in Marianna was "temporarily easing."

Bumpers told newsmen that he was proud of the way the State Police had worked to keep the peace in the East Arkansas town. He said troopers stopped all but a few isolated incidents.

The State Police force in Marianna was increased from 12 to 41 Tuesday. The governor said the extra troopers were sent almost solely to protect an ABC television crew that filmed in Marianna Tuesday.

The governor did not say what action his office was taking to resolve the racial problems in the city but he would continue to use the governor's office to attempt to solve the problem.

Blacks have been boycotting white merchants in Marianna since June 10.

Bumpers said his office would not become directly involved in negotiations between blacks and whites until his help was asked by both sides and they are ready to sit down and resolve the problem.

On another subject, the governor said it might be possible for the state to send delegates to the 1972 Democratic National Convention without a popular election in which 80 per cent of the delegates were elected, but it was discovered that the election date would not be held until after the convention starts.

Bumpers said he had been advised that the election was not mandatory and that it might be possible for the state committee to select the delegates. There had been conjecture that the governor would have to call a special election of the legislature to amend the 1971 law.

Bumpers also indicated that some of the \$13.8 million in surplus state funds from the fiscal year ended June 30 might be used to relieve the financial problems of the University of Arkansas Medical Center.

The governor said he would have an announcement within two weeks on what could be done to solve the center's financial problems.

HELEN HELP US! by Helen Bottel

PRAYER ANSWERED, PROBLEM NOT SOLVED

Dear Helen:

The Bible says "Whatever you ask for in prayer, you will receive, if you have faith." (Matt. 21-22)

So I prayed you'd answer my letter, and you did, and I thank you. And I got the boy I was going after. But I forgot to tell you my girl friend, Peg, liked him first, except she wasn't getting anywhere because he had a steady (who was snobby and mean and didn't deserve him).

When he broke up with her and started with me, Peg said I double-crossed her, but all I did was pray. Now she acts hurt. I don't want to lose her for a friend, but this boy is blue-eyed and blond-haired and he even talks sometimes. That kind of guy is hard to find.

Should I start praying that he gets interested in Peg? — FEELING MEAN

Dear F.M.:

Why not pray instead that Peg finds another nice guy-and if your boy friend knows one-steer him her way. —H.

Dear Helen:

I used to baby-sit for these three spoiled little boys and they sometimes drove me crazy. Helen Help Me-now I'm their stepmother!

How it happened was their mother and father were divorced (before I met Gary) and when he came to see his boys on Saturday afternoons, we fell in love.

Now we're married and everything is wonderful except that my husband's ex-wife uses me for a free babysitter! She says she's only living up to "visiting privileges" but she brings the kids over on Friday afternoon and leaves them till late Sunday night, while she spends a nice relaxed weekend with her boy friend. She's a rotten mother!

Gary is such a sweet guy. He knows he's being used, but he doesn't want to hurt the boys.

MRS. ELOISE HOPE RAY

ARKADELPHIA, Ark.—When Mrs. Eloise Hope Ray of Sheridan received her bachelor's degree at the August Henderson State College Commencement she became the eighth member of her family to receive a degree from Henderson State.

Seven brothers and sisters had preceded her at the College. They are teachers Boyce Hope, Mrs. Bonnie Hope Wilkinson, Mrs. Ruth Hope Sealy, Mrs. Maxine Hope Brittain, Mrs. Genevieve Hope Thompson, Mrs. Murline Hope Whitefield, and the head of a steel firm Russell Hope.

Mrs. Eloise Hope Ray, the wife of H. W. Ray of Sheridan, received the Bachelor of Science in Education degree from Henderson State with a major in elementary education and a minor in social science.

She has accepted a teaching position at Sheridan Middle School for sixth grade English and library.

Her daughter, Darla Ray, is a second semester sophomore at Henderson State.

Obituary

Grant Davenport, a native of West Point, Mississippi, a resident of Hope since 1916, passed away in a local hospital Wednesday, August 11, 1971. He was a member of Lonoke Baptist Church serving on the Deacon Board and as Treasurer of the church, also treasurer of the Hope Civic Improvement Association.

He is survived by his wife, Mrs. Lee Anna Davenport; one daughter, Mrs. Willie Mae Davenport of the home; one granddaughter, Mrs. Dorothy Mae Butler, and four great grandchildren all of Los Angeles; two sisters, Mrs. Martha Lewis of Memphis, and Mrs. Louise Tolliver of Decatur, Illinois; one brother, Henry Davenport of Memphis.

Funeral arrangements are incomplete and will be announced by Hicks Funeral Home, Inc.

No Action Taken on Beating

LITTLE ROCK (AP) — Pros. Atty. Jim Guy Tucker said Wednesday that three Little Rock policemen used excessive force on July 30 to arrest Charles E. Williams of North Little Rock on a traffic violation.

Tucker said he would take no legal action against the policemen and would not recommend to city officials what action, if any, to take against them.

Tucker's statements were in a 15-page report on a 12-day investigation into the alleged beating of Williams.

The three policemen involved were Patrolmen William B. Lynch, Rex Hargis and Michael Funderburg. The policemen are white and Williams is a black man.

Tucker's report said Lynch, a motorcycle patrolman, followed Williams across the Broadway Bridge into North Little Rock after Williams allegedly ran a traffic light in downtown Little Rock. Lynch radioed for assistance when he stopped the Williams vehicle.

The report said Lynch struck Williams with a slapper five or six times before Williams was forced to the ground and handcuffed. A slapper is a piece of lead weighing up to two pounds encased in leather.

Williams and two companions had contended that the policemen struck the first blow without provocation.

City Manager John T. Meriwether, contacted Wednesday night, said he disagreed with Tucker's report. Chief of Police Gale Weeks was not available for comment.

PSC Orders Cost Study by Arkla

LITTLE ROCK (AP) — The state Public Service Commission issued an order Wednesday calling for a study to be made to determine the cost to Arkansas Louisiana Gas Co. of providing gas to its customers.

The order is a prelude to setting uniform natural gas tariffs for industrial customers of Arkla. The tariffs would be based on the findings of the study.

The order comes in the wake of a decision Monday by the PSC voiding individual contracts Arkla had with 48 big industrial gas users, such as Arkansas Power & Light Co. Monday's ruling requires the establishment of uniform tariffs. The PSC said the individual contract system was discriminatory.

Pat Moran, the PSC chairman, said the commission would hire a consulting firm to do the cost-of-service study. After the survey is completed, he said, the PSC will hold hearings on whether to adopt the consultant's findings.

Moran estimated it might be six months to a year before the PSC adopts a tariff schedule. In the meantime, prices contained

SCS, Once Idol of All Environmentalists, Is Now Waterway Villian

By DICK BARNES
Associated Press Writer
WASHINGTON (AP) — The federal Soil Conservation Service, once an idol of environmentalists, is a villain now in a classic waterway conservation battle.

The focal point is a type of waterway modification called stream channelization.

A House Government Operations subcommittee has been holding hearings on the stream channelization problem, and the Soil Conservation Service is studying re-evaluations from its field offices of all its hundreds of authorized projects.

Channelization practices of the Soil Conservation Service, and the U.S. Corps of Engineers, were deplored by a long string of state wildlife and conservation officials, and representatives of conservation organizations, in testimony before Rep. Henry Reuss' Government Operations subcommittee.

But the hearings also disclosed conflict within the government itself. Nathaniel P. Reed, who took office in May

in the individual contracts will remain in effect.

as assistant secretary of the Interior for fish, wildlife and parks, told the subcommittee: "Stream channelization projects usually entail changing the physical shape of the stream bed and bank, regulating natural stream flow patterns and impounding or modifying the flood plain.

"If the emphasis on these practices continues, the ultimate result will be the destruction or serious degradation of valuable and irreplaceable natural resources, including stream fisheries and wildlife in many bottom lands and watercourses."

Taking note of this and other criticism of his agency, Administrator Kenneth Grant of the Soil Conservation Service told the subcommittee, "Some of the commentary has been very emotional, and very narrow in focus."

Channelization by the Soil Conservation Service most often is designed to alleviate flooding and improve drainage.

The service said that when projects authorized since 1960 are completed, more than 12,000 miles of waterways will have been channelized at a cost of more than \$300 million.

EnemyBreaks Lull, Loses 23 in Fight

By GEORGE ESPER
Associated Press Writer

SAIGON (AP) — The North Vietnamese broke the lull in the Vietnam war today with a string of attacks along the demilitarized zone. At least 15 South Vietnamese and 26 North Vietnamese were reported killed.

"This is the heaviest fighting in that region since the end of June," said Lt. Col. Le Trung Hien, a spokesman for the Saigon command, "but it is too early to say whether this is a new enemy offensive."

The North Vietnamese made seven rocket and mortar attacks and three ground assaults on South Vietnamese positions along the DMZ. Informed sources said at least 15 South Vietnamese were killed and 21 were wounded in the ground attacks. No casualty figures were given for the rocket and mortar attacks, but the Saigon command said they were "light."

The only U.S. casualties reported were two advisers slightly wounded in an assault on the Cam Lo military district headquarters. Nine South Vietnamese soldiers were killed

Thursday, August 12, 1971 and 11 were wounded there, and one Australian adviser was slightly wounded, field reports said.

The bodies of 10 North Vietnamese were found inside the compound and on the barbed wire around it.

The attack on Cam Lo was the most damaging of the night.

Attacking shortly after midnight under cover of a mortar barrage, the sappers hit the Cam Lo district headquarters from all sides with close-range rocket grenades. Once inside, they ran around hurling satchel charges into buildings.

U.S. planes dropped flares in an effort to illuminate the attacking force, and American helicopter gunships supported the defenders all night. Government troops launched a sweep of the area at daybreak.

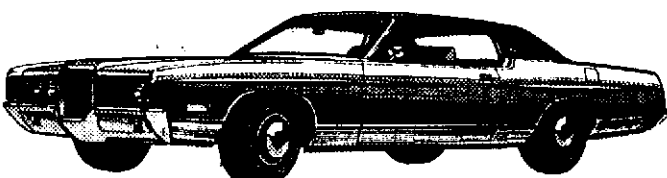

Cam Lo is about 10 miles south of the DMZ.

North Vietnamese forces also South Vietnamese infantrymen in night bivouac near Fire Base Fuller, seven miles west of Cam Lo, and followed up with a ground attack. A communique said that six of the enemy were killed, and there were no South Vietnamese losses.

Quang Tri Province, in which Cam Lo and Fuller are located, is considered a likely target if the North Vietnamese army launches a major drive, and a North Vietnamese buildup has been reported in the sector.

MILK FOR SALE by the gallon at Brown's Dairy in Springhill. 777-3080.

DR. LAWRENCE E. LAMB

By Lawrence Lamb, M.D. Dear Dr. Lamb - What do you think of the enclosed letter and advertisement that says you can lose seven pounds in 48 hours, more than 30 pounds the first month, and more than 70 pounds in three months? The method claims to neutralize calories and turn them into energy instead of ugly fat. You don't have to starve or exercise or take dangerous medicine - just one capsule three times a day.

Dear Reader—I think anyone who begins a reducing program based on mail order claims is courting disaster. A major rapid weight reduction can be harmful in some people. A gradual weight loss by sensible well-balanced diets is one thing, but otherwise anyone wishing to lose weight had better do it under a doctor's supervision.

I have seen some capsules and pills that were given to supposedly intelligent people that actually contained digitalis (a heart medicine) with a diuretic to cause rapid loss of water, a diet suppressant and thyroid. These pills have caused some deaths. A capsule is not safe just because it is a capsule - it depends on what is in it.

No reputable doctor would use a mail-order method

WIN AT BRIDGE

Table with North, South, East, West hands and a summary of the game.

By Oswald & James Jacoby It was a true bridge period during the siege of Troy. Some of the rival leaders were playing bridge.

Achilles sat North, the wily Ulysses South. King Priam sat East and Prince Hector, the best bridge player as well as the greatest hero in Troy, sat West.

Hector thought about sacrificing at five hearts, but he did not have too much faith in his father's overcalls. Anyway, he had what looked like considerable defense, so he put the queen of hearts on the table.

The wily Ulysses studied for a moment and then played dummy's trey. Priam looked surprised, but produced the 10 and Ulysses followed.

Hector looked at that 10-spot. He thought, "Can my father be giving me a suit-preference signal? I doubt it. He never heard of them. I certainly have a natural shift to diamonds. On the other hand, if father had won the first trick, he would have had a natural shift to clubs. I have been taught to fear the Greeks bearing gifts. I guess I had better lead a club."

Hector led his lowest club. Priam put up the ace and led back the queen. Hector was careful to overtake and lead back his deuce of hearts. Then he waited patiently with his diamonds for the setting trick.

(NEWSPAPER ENTERPRISE ASSN.)

Table for CARD Sense showing bidding results for West, North, East, and South.

What do you do now? A—Bid five hearts. You can afford to show this ace and should do so.

TODAY'S QUESTION

Your partner continues to five spades. What do you do now?

Answer Tomorrow

LEGAL NOTICE

IN THE CHANCERY COURT OF HEMPSTEAD COUNTY, ARKANSAS DASIE FRANKLIN CLEVELAND, Plaintiff, VS. HOWARD CLEVELAND, Defendant.

NO. 9852 WARNING ORDER

The following defendant, Howard Cleveland, whose last known address is c-o Willie Cleveland, General Delivery, Camden, Arkansas 71701, is hereby warned to appear in this Court within thirty (30) days and answer the Complaint of the plaintiff, Dasie Franklin Cleveland, and upon his failure to do so, said Complaint will be taken as confessed.

WITNESS my hand as Clerk of the Chancery Court of Hempstead County, Arkansas, and the Seal of said Court this 19th day of July, 1971.

Jim Cole Chancery Clerk July 22, 29, Aug. 5, 12, 1971

promising miraculous weight reduction. I hope the Food and Drug Administration or the Federal Trade Commission can look into this practice and protect the public from such practices. I feel so strongly about this problem that I am sending your letter and enclosure to the Food and Drug Administration and asking them to look into the company.

(NEWSPAPER ENTERPRISE ASSN.)

Please send your questions and comments to Lawrence E. Lamb, M.D., in care of this paper. While Dr. Lamb cannot answer individual letters, he will answer letters of general interest in future columns.

BAKE IT THE EASY SURE WAY with

W-R FLOUR

SELF-RISING

Contains... Leaven-Aid

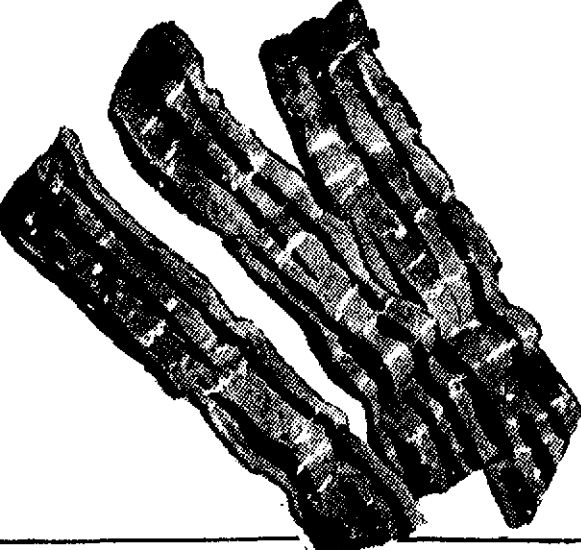

LEAVEN-AID is the new, miracle leavening system in W-R Self-Rising Flour that lets you mix your doughs or batters and store them in the refrigerator for hours — or even days — before baking. LEAVEN-AID adds its leavening power for the oven. You can even cut and freeze biscuits to be stored in your freezer and baked as desired. What a combination! Premium quality W-R Flour and LEAVEN-AID. With this winning team, you'll get better baked goods every time. The treats you create for your family will bring exclamations of delight, approval and appreciation. For better baking results — every time — pick up a sack of W-R Self-Rising Flour at your favorite grocer's today.
